haidarmm@umich.edu

EDUCATION

University of Michigan Dearborn, Dearborn MI

Bachelor of Science Biological Science (Premed)

Minor: Psychology

GPA: 3.71; Science GPA: 3.75

May, 2014

(expected)

Henry Ford Community College

Associate of General Science

GPA: 3.40; Science GPA 3.55

2010

MEDICAL SHADOWING EXPERIENCE

Clinical Cardiovascular Care

Physician: Dr. Nizam Habhab

- Observed a variety of cardiac procedures being performed such as Electrocardiograms and a Holter monitor, in a clinical setting.

May 2013-

July 2013

RESEARCH EXPERIENCE

Independent Researcher in Organic Chemistry

Advisor: Dr. Simona Marincean

- Synthesized compounds such as 2-hydroxyacenaphthenone, which contributed towards further research by the advisor.
- Conducted research towards synthesizing a tag for riboflavin to track the protein's involvement in the embryonic development of *Gallus gallus domesticus*.

Fall 2012

LEADERSHIP & VOLUNTEERING

Student Mentor in General Chemistry and Biochemistry

University of Michigan Dearborn

Advisor: Dr. Sheila Smith

- Attended advisor's lectures, graded papers, held tutoring sessions for students, and expanded my knowledge in the subject of general chemistry.

Winter 2014

MEHDY M. HAIDAR

29635 Trancrest St. Livonia MI, 48152

haidarmm@umich.edu

President

Winter 2014

Organization: MCAT Club

- Responsible for setting up and monitoring scheduled review sessions for MCAT related topics.
- Monitored responsibilities of other eboard members by setting up biweekly scheduled meetings to stay up to date with information regarding our organization.
- Responsible for making MCAT resources available to students who may need them.

Hospice of Michigan Volunteer

Winter 2013

- Travel to patient's homes or wherever they may be, including nursing homes, to assist them and comfort them as they approach the last remaining moments of their lives.

Organic Chemistry Executive

Fall 2013

Organization: MCAT Club

- Set up review sessions in preparation for the MCAT.
- Provided materials and resources to students who could not afford them at sessions.
- Provided options for study strategies under the subject of organic chemistry.
- Tutored pre medical students in the subject of MCAT organic chemistry.

Pre Medical Chair

Fall 2013

Organization: Pre Professional Health Society

- Set up Medical school tours
- Invited guests to speak on the behalf of the medical community
- Invited medical admissions representatives to speak with students at my university.
- Set up mock interviews to better prepare students for the application process of medical school.

Supplemental Instruction Leader

Fall 2012

University of Michigan Dearborn

Advisor: Dr. Debalina Bandyopadhyay

- Held group instructional sessions for classes under the subjects; introductory biology, Organic chemistry 1 and organic chemistry 2.

MEHDY M. HAIDAR

haidarmm@umich.edu

Science Tutor

University of Michigan Dearborn

Advisor:

- Tutored students of the University of Michigan Dearborn in general chemistry, organic chemistry, biology, and physics.

Fall 2012

Student Mentor in Organic Chemistry

University of Michigan Dearborn

Advisor: Dr. Mark Decamp

- Attended advisor's lectures, graded papers, held tutoring sessions for students, and expanded my knowledge in the subject of organic chemistry.

Winter
2012

Karmano's Cancer Center Volunteer

- Helped patients with whatever they may need such as; cleaning up after them, providing them with meals, helping staff to assist them, and any other services that comforted them in their time of need.

Winter
2012

LANGUAGES

English - Native language.

Arabic - Speak, read, and write with basic competence.
